

N3C-S Sidelight cap

Brand: Dino-Lite
Product Code: N3C-S

Short Description

Usage: Working with shiny objects (metal/plastics/PCB.jewelry etc.).

Description

The interchangeable front caps are designed to be used with Dino-Lite Edge and Edge^{PLUS} series models. The caps provide additional versatility to Dino-Lite digital microscope applications. Use the sidelight cap to light from the side for highlighting the texture and depth of targets at short working distances. When working with shiny objects (metal/plastics/PCB/jewelry,etc)

Compatibility

All Dino-Lite Edge/Edge^{PLUS} models
